FREDERIQUE CONSTANT GENEVE

Live your passion

Frédérique Constant was founded in 1988 by Peter and Aletta Stas in Geneva, with a clear objective to create what became known as "accessible luxury" watches. By offering excellent quality watches with affordable prices Frédérique Constant has gradually become an important player within the Swiss watch making industry. The company's slogan "Live your Passion" symbolizes their philosophy also present in their support of important charitable organizations that are driven by Passion and the sponsorship of prestigious events.
